

What is a Ward?

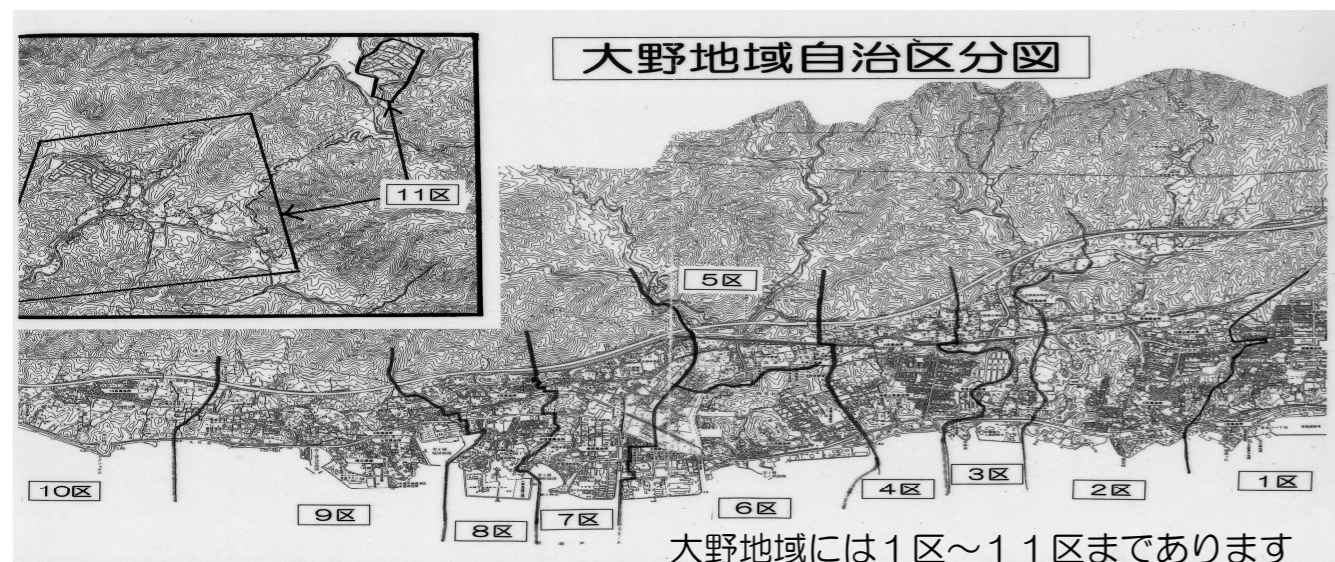

A Ward is an administrative division that is organized to make the area comfortable and enjoyable to live in based on the voluntary unity of the local residents, and It plays a central role in community building.

In Ono area, there are 11 wards and groups within the wards (there are approximately 20 households in the unit with similar activities). The ward is a combination of self-governing organizations and community promotion organizations and operates in a wide range. Furthermore, the ward works in cooperation with (※1) various organizations.

The officers are the ward mayor [community organization chairman] (supervising the ward), deputy ward mayor (district mayor), and group leader (familiar officers in the ward). Passing around of notices, etc. comes from the group leader.

It is a place to interact and talk with local people. Discover the fun and interact through what you can do or what you are good at by cooperating and participating in various activities instead of leaving it to others.

※ 1 Various groups include the Senior Citizen's Association (Omotokai), Women's Association, Children's Association, Fire Brigade, etc.

Wards (groups) are the basic organization to improve the City.

But sometimes they said that 「there is no merit even if you'll be a member of the ward (group). However, it's hard to live in a place where the environment in which you live doesn't improve. From now on, close relationship with each other will be more important for daily life such as those related to the environment and garbage, disaster prevention and safety, measures against declining birthrate and aging population. Either way let's participate as a member of the ward (group), work together, and cooperate to improve the region.

Information on Participation in the Ward

Ono Ward Chairman Union Association

The ward does various activities independently based on the ward expenses. Here are some of the main activities of the ward.

To live with Peace of Mind

《Installation and Management of Security Lights》

- Installing lights on dark roads at night to ensure and protect the area from crime. Maintain and manage security lights, such as the installation of security lights and electricity charges.

《To Protect the Children》

- Watch over children and conduct patrols to prevent crimes. In addition, we interact with children through greeting campaign, communicate with them, and create a community where they can live safely and with peace of mind.

《Volunteer Disaster Prevention Organization》

- We do not know when disasters and crime will come around us. In order to minimize disasters, it is necessary to help each other living in the area and cooperate with the entire community. In each region, we work to organize voluntary disaster prevention. Please cooperate.

To Spend Time Comfortably in a Beautiful Town

《Environmental Maintenance • Installation of Garbage Storage》

- In the ward, in order to promote local environmental improvement activities, we have set up a garbage storage area, fully implement customs in waste disposal, proper disposal of waste every day and prevent illegal dumping of garbage by unscrupulous people in roads and ditches. We work on an environmental beautification such as cleaning parks, weeding, and chopping trash. In addition, to protect the usable resources, We gather it to reduce the amount of waste and recycle it for reuse.

Interaction for Town Development

《Have fun in the Area》

- Besides having good relationship with neighboring houses, have a fun event, create a comfortable area to live in, hold sports competitions, athletic meet, Bon festival dance, autumn festival, Tondo and so on.
- Healthy upbringing of local youth and Welfare activities for the elderly, etc.
- Manages the meeting house, which is the base facility of the community. If you want to use the area for meeting, you can contact the officer of the ward.

For Information-based Town Development

《Passing Around of Notices》

- From various local events, urgent notifications in the event of a disaster, etc. We spread similar information.

What is a Team Leader
