【Agreements】

I understand the contents of the Admission Guide and hereby apply for admission to the nursery school as follows.

I agree to allow the city to access my household's personal information (taxation and household status, etc.), which is necessary for the use of childcare services.

I agree that my personal number may be used to check the tax status of the parent/guardian when necessary for the calculation of childcare fees.

I agree that the amount of user fees determined based on such information shall be presented to the specified educational/daycare facility, etc.

I do not object that the childcare fee will be changed retroactively if there is a change in the citizen's tax amount due to tax filing, etc. in the middle of the fiscal year.

※The applicant must be the person who will be the primary earner. Notification regarding the obligation to pay childcare fees will be sent to the applicant.
